### Rules

By joining the SEALAND BUSINESS CLUB, members accept the following rules:

1. The SEALAND BUSINESS CLUB is an institution by the Government of the Principality of Sealand.
2. All who want to inform themselves about the Principality of Sealand and who see validity in the aims of the SEALAND BUSINESS CLUB may join.
3. Membership starts upon receipt of a written confirmation of acceptance by either the Prime Minister or the Minister for Cultural Affairs and Information. To begin membership the required payments to the Club must have been made.
4. At this time, the membership fee is at 50 US\$.
5. Every member may cancel membership at the end of any month. The Government of the Principality of Sealand may exclude members without stating reasons within the same time limit. Non-payment of fees automatically ends membership after two months.
6. It contravenes the principles of the Club and the Principality of Sealand to deny active help to members in need. If appropriate, the SEALAND BUSINESS CLUB will discreetly and on an individual basis endeavour to lend assistance. The decision about the form of support lies exclusively with the Government of the Principality of Sealand.
